## Programme Overview

This one year part-time programme offers workshops in pattern drafting, garment construction and couture finishing techniques. Participants will build a portfolio of skills, techniques, fashion products and garments to industry standards. You will learn to develop drawing skills, by observing and investigating visual sources and then generating this research into design development. This course is ideal for anyone wishing to explore their creativity and develop their fashion skills, become designer makers, or to progress to Diploma or Degree level in Textiles, Fashion and Design with Business Management.

## Module Outline

Module Title	Code	ECTS
Pattern Cutting and Construction Techniques	CFD 1.1	10
Introduction to Drawing and Design	CFD 1.2	5

The modules are stand alone and can be taken as individual units of study or they can be taken consecutively, culminating in a Level 7 Certificate.

## Entry Requirements

- Basic sewing skills and a keen interest in fashion are necessary.
- Applicants will be selected based on their educational qualifications and/or prior experience in the textile, fashion or craft areas.
- An interview will determine level of experience

## Programme Fees

Certificate (Level 7): €2100\*

Pattern Cutting and Construction Techniques Module €1,400\*

Introduction to Drawing and Design Module €700
