Food Centre

A 3D architectural rendering of a school building. The building is a long, rectangular structure with a black roof and light grey walls. It has a series of windows along its side, some of which are blue. A red line originates from a text box on the left and points to one of the windows on the side of the building. The building is situated on a green lawn, with a grey path or road in the foreground and a blue body of water in the background.
